Founding Fathers Lager Now Available throughout Tennessee

Brewing Company Donates 50% of its Profits to Organizations That Support American Military Families

MINNEAPOLIS, MN (February 15, 2015) – Founding Fathers premium Amber, Pale and Light Lagers are now available throughout Tennessee. The recipe was formulated and brewed by three of America’s leading brewmasters and is owned and brewed in the United States.

Founding Fathers donates half of its profits to two primary organizations that support American military families. These organizations are The Armed Forces Relief Trust, who aids active duty military across all branches of the service and The American Legion, the largest veteran’s service organization in the country.

“We’re thrilled to be able to offer Founding Fathers throughout Tennessee,” said Clark Calvert, of Lipman Brothers Distributing, “Founding Fathers is an ideal example of the high quality beer we strive to offer to all our customers.”

Founding Fathers’ partnership with The American Legion and will eventually lead to the lagers being available in over 6,500 locations across the country. In addition to Legion Posts, Founding Fathers Lagers are available in general retail locations, bars and restaurants throughout Tennessee. The lagers will be available in bottles, 16 oz. cans and kegs.

“I founded the company to create a superior lager–style American made beer that supports American military families with what I consider to be a heroic level of giving” said Phil Knutsen, CEO. “We hope Founding Fathers will become the beer of choice for patriotic, main stream domestic beer drinkers.”

Founding Fathers currently has distribution in the following seven states; MN, NC, FL, ND, PA, TN and WI. The company’s plan is to roll-out to a national footprint in 2015.

About Founding Fathers

Established in 2009 by Minnesota entrepreneur Phil Knutsen, the mission of Founding Fathers is to brew a superior tasting American made premium lager that supports American military families with 50% of its profits. Founding Fathers’ American lager series is comprised of Light, Pale and Amber and is formulated and brewed by three of the leading lager brewmasters in the U.S., formerly from Anheuser Busch, Boston Beer and James Page. These exceptionally handcrafted brews are made from only the finest quality American grown hops and barley, each with a distinctly satisfying taste. Founding Fathers donates 50 percent of its profits to support military troops and their families through The Armed Forces Relief Trust and The American Legion.
